

Hawaiian Hospitality

C G7 C

Along the beach at Waikiki

G7

A handsome kane (fair wahine) is waiting for me

With his (her) dark eyes and lovable charms

D7 G7 C G7

And very sweet Hawaiian hospitality

C G7 C

Beneath the moon we strolled along

G7

And life is just like a beautiful song

And when he (she) whispered come into my arms

D7 G7 C

It's just the old Hawaiian hospitality

F

And though my heart may sob

C

Aloha when I sail away

D7

How my heart will throb to the thought

G7

Of coming back some day

C G7 C

And when my dreams of love come true

G7

There will be okolehao for two

A bit of welakahao might do

D7 G7 C

It's just the old Hawaiian hospitality
