My Country, 'Tis of Thee

My country, 'tis of thee, Sweet land of liberty,
My native country, thee, Land of the noble free,
Let music swell the breeze, And ring from all the trees,
Our fathers' God, to Thee, Author of Liberty.

Of thee I sing,
Land where my fathers died,
Land of the Pilgrims' pride,
From every mountain side,

Thy name I love,
I love thy rocks and rills,
Thy woods and woods,
Let all that breathe partake,

Sweet freedom's song,
Let mortal tongues awake,
Let all that breathe partake,
Holy light!

To Thee we sing,
Long may our land be bright
With freedom's
